We are saddened by the recent passing of Credit Union Director John Baugh. John began his volunteer career with Members First Credit Union in February of 1996 as a member of the Credit Committee. The following January he was appointed to the Board of Directors to fill a vacancy on the Board. He served as Chair of the Board from 2001 to 2003, twice as Board Secretary and was currently serving his second term as Vice Chair.

For the last 21+ years he has been a strong Credit Union advocate and a dedicated member of the Board. He has always been engaged in doing all he could to be sure the Credit Union was operating properly and focused on the future, for the benefit of the members.

John will be sorely missed as a member of the Board, as a Credit Union leader, and as a friend.

**Warm the Soles of Kids**

Each year at Christmas time, MFCU participates in the "Warm the Soles of Kids" campaign by purchasing shoes and socks for needy local kids. Funds will also be made available to local elementary schools to assist with a variety of needs from supplies to equipment. Donations to this cause can be made at any Members First Credit Union Branch Office or over the telephone.

Starting November 1st, our loan department will be offering one month loan payment extensions to qualified members who make a donation of \$25 or more to this program.

Simply fill out and return the coupon below to take a refreshing break from your loan payments this holiday season and help Warm the Soles of Kids. See any loan officer for details.

**Yes! I want to skip a loan payment this holiday season.....  
And donate to a good cause!**

For a \$25 donation you get to skip your loan payment and help provide new shoes to a child in need as well as support the local elementary schools. I/we understand the terms of the "holiday skip-a-payment" and want my/our next loan payment to be deferred until the end of the original agreement. I/we further acknowledge that to qualify, my/our account must be in good standing, no collateral insurance has been added to my/our loan by the Credit Union, nor have I/we deferred a payment on this loan in the last 12 months. I/we authorize MFCU to adjust my/our payment dates accordingly. I/we also agree to a \$25 donation per loan deferred.
