Repossessed property will be held for a period of ten days to allow redemption by the member. Cash bids will be accepted on a sealed bid basis during that period. Bids will be opened after the redemption period has elapsed. All bids received are subject to acceptance or rejection solely at the option of the credit union, and any accepted bid may be cancelled.

If an acceptable bid is not received during the redemption period, open bids will be taken until an acceptable bid is made. Bidders are requested to bid the maximum amount they are willing to pay to acquire the property; the credit union will contact only the high bidder.

All bids are considered cash bids. Financing will be available on any repossessed property except by prior arrangement with qualified credit union members.

All sales are made on an "AS IS" basis. The entire risk as to the quality and performance of this vehicle is with the buyer. If the vehicle proves defective, the buyer and not the manufacturer, distributor or seller assumes any cost of necessary servicing or repairs. No warranty or guarantee of any kind is offered or available on any repossessed property, unless otherwise noted. All sales are final.
